

MegaLed Big Lamp

Great lamps for great solutions

MegaLed Big Lamp

This lamp in E27 gives us a high-power series in order to respond to all brightness needs.

It can be used in domestic and industrial environments

MegaLed Big Lamp

- 2700K-4000K
- E27
- CRI>80

Main Features

Light source

SMD LED

Light distribution

Direct

Material

Body: Aluminum/Ceramic

Diffuser: Opal/Clear

Surface finish

White

LED lifetime

35,000 hours/L70

Voltage

12V

Outdoor temperature

-20 a +50 °C

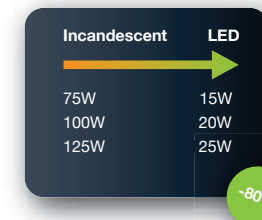

Replacement

Incandescent lamps

Dimensions

15w 195mm
20w: 230mm
25-27w: 265mm
